## The Coach's Resolution

On behalf of Nations of Coaches, we want to thank you for your interest in the Coach's Resolution Campaign!

In 1891, at a Springfield, Massachusetts Young Men's Christian Association (YMCA), God moved in the heart of Dr. James Naismith to win men unto the Master, Jesus Christ, through the gym. He sought to develop the whole person – mind, body, and spirit.

The Coach's Resolution is for coaches who want to make a commitment to being developed by the Master Coach and being used by Him to develop the whole person of their staff and players. II Timothy 2:2 says, "and what you have heard from me in the presence of many witnesses entrust to faithful men who will be able to teach others." This imperative from the Scriptures is what Dr. James Naismith sought to live out through the game of basketball. When asked the question, "Who will influence young men for the Master?" those who sign the resolution are saying, "I will!"

Coach, you know and understand commitment! The Coach's Resolution is a commitment to allow the Master Coach, Jesus Christ, to develop your whole person and to pour His life through yours to develop the whole person of your family, staff, and players.

Over two thousand years ago, The Master Coach recruited and assembled his own team. It was a rag-tag team for certain – not a one of them was a blue chip recruit. For three and a half seasons, he poured His life and truth into them. Of the twelve men on that team, eleven of them would go on to be men used to spread the message of Christ around the world. In one of his last pregame comments, the Master Coach told his team, "I have been given all authority in heaven and earth. Therefore go and make disciples (develop the whole person) in all the nations... (Matt 28:18-20)." Today, you know the truth about Jesus Christ because His first players committed to live out the Master's game plan. The Master is still recruiting today! He's not seeking five-star coaches, just ones who are teachable, team players, and will resolve to live out the Master's game plan!

The Coach's Resolution has been created by Nations of Coaches as a tool to aid you in your resolve to live out the Master's game plan for your life. Please prayerfully and thoughtfully consider each section of the resolution. If you believe God is leading you to commit to living this resolution out in your heart we encourage you to let us know by completing the form on our website and someone will be in contact with you.
